The image shows a web-based interface for publishing a book. At the top, there is a text input field labeled "Tambahkan judul". Below it is a rich text editor with a toolbar containing icons for bold, italic, paragraph, and other text formatting options. A "Visual" and "Teks" toggle is visible on the right side of the editor. Below the editor, a "Jumlah kata: 0" indicator is present. On the right side, there is a sidebar with several sections: "ISBN" with an input field, "Book Cover" with an "Add Book Cover" link, "5 Star Rating" with five star icons, and "Terbitkan" (Publish) section. The "Terbitkan" section includes buttons for "Simpan Draft" and "Peringkat", and status indicators for "Status: Draft Surting", "Visibilitas: Publik Surting", and "Terbitkan segera Surting". At the bottom of this section, it shows "Post Views: 0 Edit" and a prominent "Terbitkan" button. A red arrow points to this "Terbitkan" button.
